Issues Discussed 101 112 102 103 Oth (For each of the checked box(es) above, please describe below the issue and deta					
Claim(s) discussed:					
Identification of prior art discussed:					
Substance of Interview (For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc) Specification filed 06/22/99 appears to be missing page 2. Applicant's attorney confirmed that page 2 of the					
specification was not missing but rather the pages were miss-numbering. Accordingly, Applicant agreed that the publication office can renumber the specification to correct the above captioned typographical error.					
Applicant recordation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.					
Examiner recordation instructions : Examiners must summarize the substance of any interview of record. A complete and proper recordation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recordation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
